STUDENT / EDUCATOR PROTOCOLS

Here at Shadowland Academy we follow the same health and safety guidelines as the local public school district. Therefore, we have updated our COVID-19 Health and Safety Guidelines to reflect the guidance received from the New York State Department of Health and Centers for Disease Control.

- Effective March 2, 2022 masks are optional indoors.
- Masks are recommended when someone is known to have been exposed within the previous 10 days.
- More information and the updated COVID-19 Health and Safety Guide can be found on the District's website (www.ecs.k12.ny.us)
- Failure to follow these protocols may result in the student being removed from the class, forfeiting all tuition (at the Educator's discretion).
